

## E-YARD Group Car Tutor Assessment

| Name | Membership No. | Date | Weather |
|------|----------------|------|---------|
|      |                |      |         |

|   | Competent | Not Yet | Not Assessed |
|---|-----------|---------|--------------|
| Planning and preparation:   | oompetent | Hot let |              |
| Plan the session to suit the Associate's needs  |           |         |              |
| Devise a route that matches the time available and lesson objectives                      |           |         |              |
| Meet in a safe public place with access to facilities                                     |           |         |              |
|   |           |         |              |
| Meet and greet the Associate:   |           |         |              |
| Operate a 'customer centred approach' and welcome the Associate                           |           |         |              |
| Ensure Associate's 'personal space' is respected  |           |         |              |
| Dress appropriately as a representative of E-YARD   |           |         |              |
| Check new Associate's background goals and concerns.                                      |           |         |              |
| Ensure the E-YARD logbook is signed   |           |         |              |
| Check new Associate's knowledge of IPSGA  |           |         |              |
| Check to see if the Associate meets the legal eyesight requirement                        |           |         |              |
| Explain the structure and operation of E-YARD to the Associate                            |           |         |              |
| Explain how RoADAR Advanced driving is delivered in your Group                            |           |         |              |
| Duisf surrent session.  |           |         |              |
| Brief current session:<br>State the 'Aim' of the session                                  | [         |         |              |
| Discuss the session Competency Sheet and the learning material                            |           |         |              |
| Discuss the session completency sheet and the learning material                           |           |         |              |
| State the estimated time for the guidance session   |           |         |              |
| Ask the Associate if they have any questions & answer appropriately                       |           |         |              |
| Assist the Associate to carry out daily pre-drive checks                                  |           |         |              |
| Discuss the 'Moving Brake Test'. Carry out if necessary. Give the relevant                | 1         |         | 1            |
| guidance to achieve the 'Aim' of the session  |           |         |              |
|   |           |         |              |
| Give the relevant guidance to achieve the 'Aim' of the session:                           |           |         |              |
| Demonstrate advanced driving techniques & practices to Associates (If                     |           |         |              |
| necessary)  |           |         |              |
| Encourage Associate to become familiar with their vehicle technology                      |           |         |              |
| Demonstrate a flexible approach to learning throughout the session                        |           |         |              |
| Present new learning material in manageable step by step parts                            |           |         |              |
| Evaluate the Associate's driving and offer guidance as required                           |           |         |              |
| Provide suitably timed, clear route directions to the Associate                           |           |         |              |
| Deliver the session in accordance with E-YARD standards                                   |           |         |              |
| 'Identify' 'Analyse' & 'Rectify' any issues with the Associate's driving                  |           |         |              |
| Demonstrate effective use of Question and Answer technique                                |           |         |              |
| Compliment the Associate for effort and not just achievement.                             |           |         |              |
| Debuief the summer assist   |           |         |              |
| Debrief the current session:<br>Give an effective debriefing on completion of the session |           |         |              |
| Demonstrate a 'customer centred' approach when debriefing Associate                       |           |         |              |
| Demonstrate your ability to involve the Associate as an equal.                            |           |         |              |
| Encourage the Associate to analyse their own driving                                      |           |         |              |
| Ask the Associate how they think the session has gone. Listen carefully to what           |           |         |              |
| the Associate has to say. Address any Associate concerns in a positive and                |           |         |              |
| constructive way. Deliver your comments using an 'information sandwich'                   |           |         |              |
| approach  |           |         |              |
| Start your own summary of the drive on a 'positive note'. Concentrate on the              |           |         |              |
| main issues and avoid overloading the Associate. Recall Identification; Analysis          |           |         |              |
| and Rectification of driving issues   |           |         |              |
| Use positive feedback and constructive criticism, to reflect on the Associate's           |           |         |              |
| performance   |           |         |              |
| Involve the Associate and make effective use of Question & Answer                         |           |         |              |
| Involve the associate in the analysis of their performance. Summarise 'Strengths          |           |         |              |
| & Development areas' in the Associate's drive.  |           |         |              |
| Make use of the 'Question and Answer technique.'  |           |         |              |
| Complete the relevant Logbook Competency Sheet  |           |         |              |
| Finish the session positively, ensuring the Associate is clear on how it has gone.        |           |         |              |
| Ask the Associate if they have any questions and answer accordingly. Encourage            |           |         |              |
| the Associate to practice their driving skills between sessions. State the 'Aim' of       |           |         |              |
| the next session. Discuss a mutually agreeable date and time for the next                 |           |         |              |
| session. Close the session pleasantly, politely and thank Associate for their time        | L         |         |              |

## Generic Competencies not specific to any particular Associate session:

| Demonstrate an exemplary attitude to road safety at all times                     |  |
|---|--|
| Demonstrate understanding of Associate & Tutor Training Material; Highway         |  |
| Code and Roadcraft throughout the session   |  |
| Drive at a standard higher than that of a RoADAR Associate.                       |  |
| Demonstrate that you can carry out low speed manoeuvres.                          |  |
| Demonstrate an understanding of how a car responds to various driver inputs       |  |
| Demonstrate an understanding of the different cars likely to be encountered       |  |
| when giving guidance to Associates  |  |
| Self-evaluate your own performance  |  |
| Reflect on training session and consider if the learning material could have been |  |
| presented differently.  |  |
| Demonstrate a working knowledge of car technology and driver aids                 |  |
